Hi Jean,

Good news. In the next 10 days I will decommission the stiles concerned, remove redundant way-mark signs and place new way-mark signs as appropriate.

I have copied Jon Allen with your email and my reply so that you can pick up his address (which perchance is still not visible is jon.allen@allen-haynes.com). The timing is good as he will be able to add this subject to the agenda for the next Hopton Castle Parish Meeting on Tuesday next, 22 January.

With Best Regards, Ted Laidlar P3 Hopton Castle

Subject : FP Diversion and Extinguishment orders - Great Hagley

Dear Mr Laidlar

Just to let you know that as no objections were received to the Footpath Diversion and Extinguishment orders at Great Hagley, the Council will confirm both orders on Friday of this week. I will put up the required site notices on Thursday and can way mark the diverted route where needed. No other works are required on the diverted route but, as you are aware, there are a couple of stiles to be decommissioned and way mark discs to be removed on the former route subject to the diversion. I have contacted Mr Willis about this and he is happy for you to carry out this work if you are still available to do so. This doesn't need to be completed by Friday, but whenever you have the time.

Finally, would you be able to forward the full email address for Jon Allen, chair of the Parish Meeting - it only came up as 'Jon and Jill Allen' on your email dated 30th November - I would like to send Mr Allen notice of the confirmation of the orders later this week.

Thanks very much for your help in this matter and I look forward to hearing from you.

Kind regards

Jean
